

# One-Day Beekeeping Workshop Schedule

Our single-day workshops are typically held on Saturdays or Sundays, though weekday options are available for groups or special requests. These immersive sessions balance classroom instruction with hands-on learning in the field.

## Schedule Overview

### **0730 – 0830**

#### *Arrival & Check-In*

Coffee, pastries, and fresh fruit available upon arrival.

### **0830 – 0915**

#### *Welcome & Orientation*

Introductions, property overview, and a review of the day's agenda.

### **0915 – 1030**

#### *Classroom Instruction – Foundations of Beekeeping*

Learn core concepts including hive structure, bee anatomy and behavior, and proper use of protective gear

### **1030 – 1130**

#### *Gear Review & Apiary Walkthrough*

Smoker lighting overview, protective gear inspection, and guided walkthrough of the hive yard.

### **1130 – 1230**

#### *Lunch On-Site*

A casual break with provided lunch, beverages, and a chance to connect with others.

### **1230 – 1300**

#### *Smoker Lighting Practice*

Hands-on demonstration and individual practice prior to live inspections.

### **1300 – 1600**

#### *Field Activities – Hive Work & Observation*

Participants will take part in various beekeeping tasks suited to the season and hive needs.

### **1600 – 1700**

#### *Wrap-Up & Discussion*

Final classroom session, Q&A, and review of key takeaways.

**Note:** Snacks, bottled water, and other beverages are available throughout the day.
